

TESTIMONIALS

What attendees and planners are saying:

*Sandy Baird was absolutely fantastic! Her presentation was highly educational and detailed yet fun, fast-paced, relevant and interesting. Sandy's insights are invaluable, she kept the audience captivated and glued to their chairs. She **sparked a passionate conversation** that kept on going well after the presentation has ended. - Keren Sperling, DMD, MSc*

*Sandy Baird displayed a wealth of knowledge and wisdom that is only gained by real-world, in-the-office-every-day experience. Sandy was **well-prepared, passionate and energetic** in her approach. I was very impressed by her expertise and presentation. - Richard Barbee, CPA*

*Mrs. Baird is a **high energy, knowledgeable presenter** on the financial matters and systems that effect dentist most. - Matthew Brock, DDS, MSD*

*Sandy is a **dynamic speaker** who also has **real world experience** that is so valuable when helping dentists face the challenges of managing a dental practice. – Cory Glenn, DDS*

*Sandy is a **passionate team motivator** who encourages each player to better understand how his or her work affects others on the team! – Dan Merwin, DDS*

*Sandy's pearls of wisdom in team building and practice system organization demonstrate her **breadth of experience** in health care management. – George S. Lee, MD, DDS*

*Sandy can **breathe life into** the dullest of topics. - Rhonda Switzer, DMD*

*Because of her many years of experience in the dental profession, Sandy has tremendous knowledge. Her presentation to our dental society was **energetic, informative, interesting and very helpful**. - Paul Bacon, DDS*

*When Sandy Baird spoke for my study club recently **several doctors thanked me** for having such a great speaker. Sandy's message was one that could be put into use on Monday morning and I would love to have her back in the future to speak on another topic. - Bart Benson, DDS*

*Sandy Baird is an **outstanding communicator** with the highest integrity. She has a **complete mastery of her subject and comes well prepared**. She presents the information in a well-organized and audience friendly manner. She is able to keep your attention, and convince you to follow her recommendations. - Chuck Felts, DDS*
